Dear Friends,

Who would have thought that in 'Christian America', Christianity would have to be defended? I know I never thought it would happen. But right here, right now, the ultra-right wing is touted as the New Taliban. The news media is now calling the ultra-right wing Christians; terrorists. How did our country get so far away from Biblical and Christ-based teachings? When did it become an offense to use the name of Jesus in public? When we started becoming politically correct and trying to blend in with the world. Shame on us!

God has spoken in His word, the Bible, about these times and how we, as Christians, should respond. Matthew 24:9-11, says, *"Then you (Christians) will be handed over to be persecuted and put to death, and you will be hated by all nations because of me (Jesus). At that time many will turn away from the faith and will betray and hate each other, and many false prophets will appear and deceive many people"*. Do you think that Christians CAN'T be persecuted and killed for their faith right here in America? Research The Columbine shootings, 9/11, The Virginia Tech shootings, The Fort Hood shootings, the church shootings across our country. They all ended with Christians being killed.

Look at the new technology that is developing about micro-chips that can be placed under the skin and hold all of your pertinent information about you. They are already 'chipping' lost pets to locate and return to their owners. 'What a simple way to avoid identity theft'. 'No more credit cards'. Revelation 13:15-18 says, *"He was given power to give breath to the image of the first beast, so that it could speak and cause all who refused to worship the image to be killed. He also forced everyone, small and great, rich and poor, free and slave, to receive a mark on his right hand or on his forehead, so that no one could buy or sell unless he had the mark, which is the*

name of the beast or the number of his name". Never take a chip or mark or tattoo or anything that may mark you for any kind of commerce. It will seal your fate.

The devil is described as, 'a roaring lion' in 1 Peter 5:8, and also as an 'angel of light' in 2 Corinthians 11:14. As a roaring lion, satan killed and destroyed many Christians in the coliseums and burned at the stake. He has invaded our nation as an 'angel of light' and has convinced many that Christianity is a cult, powerless and should be disposed of. For 2000 years satan has worked to stomp out Christianity and if we don't stand up for what we believe now, it may be too late if we wait. Satan is a deceiver and the father of lies (John 8:44) and could deceive even 'the elect' if we don't know the Bible (Matthew 24:24-25).

No matter how much or whatever the nature of the lies that the devil throws at you, you can be an overcomer and defeat this evil foe. James 4:7 says, *"Submit yourselves, then, to God. Resist the devil, and he will flee from you"*. Submit or give yourself, (for some it may take a fresh recommitment to Jesus) fully over to God, meaning your plans, aspirations, desires, belongings, family, everything that is you. Then resist the devil, meaning, STOP listening to his lies. Don't entertain those negative thoughts or temptations or lustful desires. Think on these things in Philipians 4:8, *"...whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is admirable, if anything is excellent or praiseworthy, think about such things"*.

We have seen the prayer requests that we receive at Heart-Fire both increase and deal with family, faith, and financial issues. We know the devil is attacking Christians, but God has given us everything we need to be victorious. We are standing with you, shoulder to

shoulder in this battle of life to preach the Gospel everywhere. This past Nickel Store saw eight people committing their lives to Jesus and being plugged into discipleship groups. Share Jesus with those around you, pass out Gospel tracts from your church or call us for some, and above all, study the Bible and pray daily. We have the weapons to win this war.

As you are praying, listen if the Lord would speak to you about supporting Heart-Fire Ministries prayerfully and financially. Pray to cover us in God's anointing and also that we may have the financial resources to do the ministry that He has called us here to do. There is no retreat or defeat in the Kingdom of God. God bless America! Together, we are making a difference in the lives of people.
